Recent Deaths. Mrs. Lucinda Welch, wife of Hugh Dunn, died Dec. 31, 1903, aged 70 years, 8 months and 18 days, after a short illness of eight days of pneumonia. Al-though not sick long she was a terrible sufferer and the angel of death was wel-come, as she often said "Haste, haste, the within the week. journey is so long." She was born in Peru, N. Y., April 15, 1833; was twice married, first to Henry A. Lowd of Eaton, P. Q., June 21, 1856. He died Oct. 17, 1858. She then married Hugh to his work as fireman on the Grand

Dnnn of Ryegate, Feb. 6, 1866, and they moved to Peacham in Sept. 1868, where they have since lived. She will be greatly missed in her home as she was always there to welcome each as they came, a kind wife and mother. She leaves a husband and four children: Mrs. J. L. Frye of Danville, Mrs. W. J. White of South Ryegate, W. T. and Alvin H., at home; four grandchildren, also a sister, Mrs. L. A. Greasley of Waterville, Mass., besides a large circle of friends and neighbors who extend their sympathy to the family in their bereavement, and were very kind to help them in their trouble. The funcr-al services were held at the house, Suuday afternoon, Jan. 3, Rev. J. K. Williams officiating. The interment was at

the Peacham cemetery. Mrs. Marilla Ladd Sanborn died at her home in Snowden, N. C., Jan. 2. She was married to George C. Sanborn of this place, Feb. 6, 1879, and in the fall of 1880 they moved to North Carolina. For 20 years or more she has been an invalid and much of the time confined to her bed. She has had at all times the best of medical help that could be pro-cured both in hospital and at home, but nothing gave permanent help, and she has been for months slowly but surely failing. She was the daughter of Mr. and Mrs. E. Ladd and was about 48 years of age.

Mrs. Caroline Bickford Varnum, widow of Harvey Varnum, died at the home of her son Charles at Marshalltown, Iowa, Jan. 9. She was daughter of Benjamin Bickford and was born June 2, 1833. She was married to Harvey Varnum of Peacham, in December, 1860, and went to Marshalltown, where she has since made her home. She leaves two sons and two daughters, all living with their families in Marshalltown, and with whom she has made her home since her husband's death in 1895.

Fertilizing Salt. The Vermont Experiment Station at Burlington weighed ten clusters of grass from two plots of land lying side by side. From the unsalted plot the ten plants weighed 14 grams, while from the plot which had received 3,000 pounds of salt per acre, they weighed 26 grams or nearly

twice as much. Speaking of its effectiveness in killing Hawk Weed, or Paint Brush, the experiment station bulletin says: "Most of the weed was killed by the application of 2,000 pounds per acre. Every plant of it was killed by the application of 3,000 pounds per acre and the weight of

the grass was nearly doubled." FERTILIZING SALT can be obtained of C. S. Page, Hyde Park, Vt., at \$4 00 per ton in carload lots; and \$4.50 in less than carload lots, put up in cheap 100-lb sacks-no charge for sacks. The Taffy Pull is far superior to any other syrup for making taffy or candy of any kind. Try the following recipe. It is convincing. Pour a small tin of Karo Corn Syrup into a kettle holding four times the amount of syrup used and boil over a slow fire for half hour, stirring all the time to prevent boiling over and burning. When a little dropped in cold water becomes hard, snappy, sdd ½ of teaspoonful of carbonate of soda, stir quickly and thoroughly, then pour on greased platters.

When cool enough to handle without burning the hands, pull.

A little butter rubbed on the hands will keep it from sticking.

The more it is pulled the whiter it becomes. Flavor to suit. Karo Corn Syrup is good for all home uses from griddle cakes to candy. Sold in airtight, friction-top tins, 10c, 25c, 5oc. All grocers.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundations of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
